conclusion:

Of the 51 primary Sultan who reigned for 19 years was only 06 years spent by third Sultan:

-١ Baybars Albndqdary 71 Sal.2-Qalawun 11 years and 0.3-King Nasser (Volume III's reign) (23 years, 13 years before the temporary kings passed by 01 the wisdom of some of them and others were more soldiers; Those talents were unequal to their duty. So during this period with a system of freedom and equality for all Mamluk Sultan on the selection, we have 06 years of competent and outstanding and 13 years are the result of insecurity and confusion. Twelve generations of Nasser and his successor were coming after him, quickly within 24 Salaz 0431 to 2831 were the M.bh appearance at the head of his military commanders ruled Sultan was deposed and they desired or murdered And none of these outstanding kings herself in any field or fields of work and work effectively to improve not know. (bagt Rose, 6831: 7672). Among the factors that have caused this chaos was during these years are: 1. Lack of puberty in boys Nasser٢- .The only viable solution at this critical situation there was a viceroy wise and steadfast but they ought every Amiri, who came to power; Administration was in the hands of another plot against the Chinese rulers had (٣) .the lack of an agreed

approach and style of government - wisdom kings of the absence of an agreed method and style of government. 4-Lack of attention and reflection successors to Sltnt-
